NEW ORLEANS, January 3.—COTTON—Spot cotton quiet but firm, unchanged; midding, 15-6c. Sales on the spot 69 bales and 1.75 to arrive. Futures opened barely steady, 16:19 points down on a lower Livernoot future market than due, Selling was good around the first call and prices at their lowest were 19:50 boints down. Fresh buying for long account met the decline, and during the greater part of the session the market stood about 19 points down. Either stood about 19 points down. Little strength was shown at any time, and outside traders on the long side evinced considerable disappointment because of the lack of the rather spectacular trading of the holiday period. Leading buils did not attempt to put prices up, and the main support of the market was a good spot demand nearly everywhere in the South Around the middle of the day prices were within 19:85 points of last weeks closing. The closing was steady at a net decline of 19:813 points. Futures closed steady. Coeing bids: January, 15:85; February, 15:09; March, 16:30; May, 16:66; July, 16:36; September, 11:32.

VIRGINIA TRUST CO.

CAPITAL ONE MILLION DOLLARS

On November 26th last a gentleman in North Carolina spoke to an official of this company and said he wanted to change his will and make us his trustee. He was in perfect health then. Ten days later he was dead. Left \$200,000.00 to three friends as trustees. How infinitely better for all concerned if he had appointed a strong trust company instead of individuals as trustee.
